San Francisco, CA 94105-3901

Dear Ms. Levin:

I am enclosing a copy of the ACOE 404 Permit, Wetland Delineation, and Coon Creek Conservation information for the proposed Lincoln Bypass Project. The 404 permit and Wetland Delineation was submitted to ACOE on 2/24/04. We have also submitted the NMFS and FWS BA for informal review to FHWA and appropriate agencies before requesting formal consultation. A copy of the FWS BA is also enclosed.

If you require further information, please call Christina Lynch at (916) 274-0558 or e-mail at Christina_Lynch@dot.ca.gov.

Sincerely,

Christina Lynch
